PETITIONS AND COMMUNICATIONS

State of Wisconsin Legislative Audit Bureau

September 18, 2008

The Honorable, The Legislature:

As requested by the Public Service Commission (PSC), we have completed a financial audit of the Universal Service Fund, which was established to ensure that all state residents receive essential telecommunications services and have access to advanced telecommunications capabilities. It is funded primarily through assessments on telecommunications providers, which totaled \$30.0 million in fiscal year (FY) 2006–07. Our audit report contains our unqualified opinion on the Universal Service Fund's financial statements for the fiscal years ending June 30, 2007, and June 30, 2006.

Eight of 13 programs currently supported by the Universal Service Fund are operated by the PSC. The programs provide low-income or disabled individuals affordable access to basic telephone and information services, lessen the financial effect of high rate increases, and assist in the purchase of medical telecommunications equipment.

The largest program supported by the Universal Service Fund is the Educational Telecommunications Access Program, which is administered by the Department of Administration (DOA). This program subsidizes data lines and video links for

eligible educational institutions. In FY 2006, 2007, expenditures for the program totaled \$17.4 million.

The Universal Services Fund also supported two programs administered by the Department of Public Instruction (DPI) during FY 2006–07, including state aid to public library systems. Since FY 2004–05, the Universal Service Fund has been used increasingly for library system aid.

In our Report on Internal Control and Compliance, we reported on three fiscal management issues that require attention by the PSC and DOA. We found errors in the financial statements, inaccurate copayment billings for educational institutions participating in the Educational Telecommunications Access Program, and an incorrect treatment of a prior-year refund.

We appreciate the courtesy and cooperation extended to us by staff at the PSC, DOA, DPI, University of Wisconsin System, and the Universal Service Fund's administrator, Wipfli LLP.

Respectfully Submitted,
JANICE MUELLER
State Auditor
